IUCN -The World Conservation Union

Founded in 1948, IUCN - The World Conservation Union brings together States, government agencies and a diverse range of non-governmental organizations in a unique world partnership: some 650 members in all, spread across 120 countries. The Union seeks above all to work with its members to achieve development that is sustainable and that provides a lasting improvement in the quality of life for people all over the world.

UICN - Union mondiale pour la nature

Fondée en 1948, l'UICN - Union mondiale pour la nature réunit des Etats, des organismes publics et un large éventail d'organisations non gouvernementales en une association mondiale unique: en tout, près de 650 membres dans 120 pays. L'Union cherche avant tout à œuvrer, en collaboration avec ses membres, à l'avènement d'un développement qui soit durable et améliore de manière permanente la qualité de vie de l'humanité tout entière.

IUCN -Unión Mundial para la Naturaleza

Fundada en 1948, la UICN - Unión Mundial para la Naturaleza - agrupa a Estados, organismos gubernamentales y una diversa gama de organizaciones no gubernamentales en una asociación mundial única en su género; cuenta en total con unos 650 miembros procedentes de 120 países. La Unión procura ante todo trabajar con sus miembros en la consecución de un tipo de desarrollo que sea sostenible, y contribuye a mejorar de forma duradera la calidad de vida de los pueblos de todo el mundo.

IUCN -The World Conservation Union

Founded in 1948, IUCN - The World Conservation Union brings together States, government agencies and a diverse range of non-governmental organizations in a unique world partnership: some 650 members in all, spread across 120 countries. The Union seeks above all to work with its members to achieve development that is sustainable and that provides a lasting improvement in the quality of life for people all over the world.

UICN - Union mondiale pour la nature

Fondée en 1948, l'UICN - Union mondiale pour la nature réunit des Etats, des organismes publics et un large éventail d'organisations non gouvernementales en une association mondiale unique: en tout, près de 650 membres dans 120 pays. L'Union cherche avant tout à œuvrer, en collaboration avec ses membres, à l'avènement d'un développement qui soit durable et améliore de manière permanente la qualité de vie de l'humanité tout entière.

IUCN -Unión Mundial para la Naturaleza

Fundada en 1948, la UICN - Unión Mundial para la Naturaleza - agrupa a Estados, organismos gubernamentales y una diversa gama de organizaciones no gubernamentales en una asociación mundial única en su género; cuenta en total con unos 650 miembros procedentes de 120 países. La Unión procura ante todo trabajar con sus miembros en la consecución de un tipo de desarrollo que sea sostenible, y contribuye a mejorar de forma duradera la calidad de vida de los pueblos de todo el mundo.
