

*The Congo Basin/Le bassin du Congo*

|   |       |
|---|-------|
| Preface   | 5     |
| Contents/contentu   | 7     |
| Introduction  | 9, 13 |
| CHAPTER 1: BIOGEOGRAPHY/BIOGÉOGRAPHIE   |       |
| Biological diversity of the Congo Basin <i>Wim Bergmans</i>   | 17    |
| The flora of the Congo Basin <i>R.H.M.J. Lemmens &amp; M.S.M. Sosef</i>   | 25    |
| A brief overview of the herpetofauna of the Congo Basin Region<br><i>Matthew LeBreton</i>   | 31    |
| The Kakamega forest: the easternmost representative of<br>Central African rainforest biome <i>Ibrahim Ali &amp; Willem Ferwerda</i>   | 42    |
| CHAPTER 2: PEOPLES OF THE CONGO BASIN/LA POPULATION<br>DU BASSIN DU CONGO   |       |
| Forest peoples of the Congo Basin: past exploitation, present threats<br>and future prospects <i>Marcus Colchester, Dorothy Jackson &amp; Justin Kenrick</i>                          | 53    |
| Forest peoples in the Central African rainforest:<br>focus on the Pygmies <i>S.A. Dembner</i>   | 65    |
| Initiatives to assist the Pygmies in Cameroon.<br>A local NGO's point of view <i>Njiniya Saba Martin</i>  | 73    |
| CHAPTER 3: THREATS/MENACES  |       |
| Perception de la forêt et conflits au Sud-Cameroun <i>Samuel-Alain Nguiffo</i>  | 79    |
| Urban threats to biodiversity in the Congo Basin <i>Theodore Trefon</i>   | 89    |
| The situation of tropical moist forests and forest management<br>in Central Africa and markets for African timber <i>Dominiek Plouvier</i>  | 100   |
| About tropical hardwood, hunters and gorillas. Conservation of<br>forest fauna in South Cameroon. <i>Martha Klein &amp; Mark van der Wal</i>  | 110   |
| The forest cries <i>Korinna Horta</i>   | 119   |
| Projet Pipeline Tchad-Cameroun: une menace pour les écosystèmes<br>et la biodiversité dans la forêt dense équatoriale<br><i>Louis Djomo &amp; Lucas Vincent Ngouo</i>                 | 131   |
| Out of Africa: mining in the Congo Basin <i>Roger Moody</i>   | 137   |
| Impact de la crise économique et de la dévaluation du franc CFA sur la<br>conservation des ressources forestières du bassin du Congo: cas du Cameroun<br><i>Jean Baptiste Tandjeu</i> | 145   |

CHAPTER 4: INITIATIVES/INITIATIVES

|  |     |
|--|-----|
| Regional collaboration for conservation and sustainable use of the forest resources of the central African region      |     |
| <i>Guido Broekhoven, Pascal Nzokou &amp; Owele Alphonse</i>  | 151 |
| Collaboration regionale pour la conservation et l'utilisation durable des ressources forestières                       |     |
| <i>Guido Broekhoven, Pascal Nzokou &amp; Owele Alphonse</i>  | 156 |
| NGO's in Central Africa, some characteristics from an European perspective   |     |
| <i>Rietje Grit</i>   | 161 |
| Community forestry: a new experience in the Congo Basin <i>Dr. Nde</i>   | 171 |
| Gestion durable et participative des ressources forestières de la république démocratique du Congo <i>Swedi Elongo</i> | 177 |
| The role of the European Community in the rainforest of Central Africa <i>Simon Counsell</i>                           | 187 |
| Gabon; conservation during the crisis <i>Tom Hammond</i>   | 197 |
| Abbreviations/Abréviations   | 209 |
| Authors/Auteurs  | 211 |
