

The designation of geographical entities in the book, and the presentation of the material, do not imply the expression of any opinion whatsoever on the part of the Mekong Wetlands Biodiversity Conservation and Sustainable Use Programme or other participating organisations, e.g. the Governments of Cambodia, Lao PDR, Thailand and Viet Nam, United Nations Development Programme (UNDP), the World Conservation Union (IUCN) and Mekong River Commission (MRC) concerning the legal status of any country, territory, or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.

This report or series of working papers may contain original research or unverified claims. The views expressed in this publication do not necessarily reflect those of the Mekong Wetlands Biodiversity Conservation and Sustainable Use Programme (MWBP) or other participating organisations, e.g. the Governments of Cambodia, Lao PDR, Thailand and Viet Nam, UNDP, IUCN and MRC.
