TABLE OF CONTENTS

I	Introduction	2
II	Park establishment and organisation	4
III	Threats to the park	6
	Margalla Hills	6
	Rawal Lake	11
IV	Margallah Hills Management Plan	14
	1. Overview	14
	2. Management objectives and policies	16
	Restore depleted plants and animals	16
	Protect natural landscapes and scenic views	21
	Restore degraded sites	24
	Promote visitor enjoyment of the park	26
	Interpret natural and cultural resources	31
	Protect cultural resources	33
	Stimulate scientific research	35
	Prevent soil erosion	37
	Monitor air quality	38
	Prevent wildland fires	39
	Protect cave resources	41
	3. Environmental use zones	42
	4. Implementation	45
	Study rural resettlement options	46
	Expand range and population of goral	49
	Delineate and mark park boundaries	51
	Study status of barking deer	53
	Rehabilitate Pir Sohawa and Chawki visitor service areas	55
	Conduct wildlife survey and inventory	57
	Construct visitor center	58
	Construct administrative offices	59
	Rehabilitate the zoo	60
	Restore quarry sites	62
	Study causes of reproductive failure of cheer pheasant	64
	Study ecological role of fire	67
	Study ecology of kalij pheasant	69

Produce a park video	70
Develop air and water quality monitoring programme	71
Conduct visitor use survey	72
Improve management of wildland fires	73
Study status of grey wolf	75
Survey and inventory natural caves	76
Study feasibility of reintroducing urial	78
Study feasibility of reintroducing chinkara	79
V Rawal Lake Management Plan	81
1. Overview	81
2. Management objectives and policies	84
Delineate and mark park boundary	84
Monitor water quality	85
Improve water quality	86
Protect water fowl	87
Interpret watershed and waterfowl ecology	90
Develop recreational facilities	92
Manage the fishery	94
3. Environmental use zones	95
4. Implementation	95
Study Rawal Lake watershed	96
Develop water quality baseline	98
Survey and mark the park boundary	99
Study water fowl ecology	100
Develop water fowl inventory baseline	101
Delineate essential water fowl habitat	102
Develop a staffing programme	103
Build information out-posts	104
Construct trails, picnic sites, overlooks, waterfowl observation hides	105

VI	Shakar Parian Sports Complex Management Plan	106
	1. Overview	106
	2. Management objectives and policies	108
	Describe land use zones	108
	Provide high quality outdoor recreation environment	110
	Improve the outdoor cafe	112
	Adopt standardised sign system for M. H. National Park	114
	Promote public cultural and educational activities	115
	Improve service to visitors	116
	Control <u>Brousenetia</u>	117
	3. Implementation	119
	Develop staffing programme	120
	Prepare informational brochure	121
	Rehabilitate the outdoor cafe	122
	Construct an information out-post	123
	Develop a control method for <u>Brousenetia</u>	124
VII	Buffers and additions	125
VIII	Staffing	130
IX	Bibliography	138
