

3. Wild Birds Protection

Concerned by the difficulties in securing adoption of the 1950 Convention for the Protection of Birds and *noting* that, as the competent specialist organization for such matters, the International Council for Bird Preservation will shortly be reviewing the problem at its meeting at Cambridge, England, in July 1966

the **9th General Assembly of IUCN** meeting in Lucerne in June 1966

offers full support to ICBP in finding and implementing suitable measures to co-ordinate a world-wide framework for the conservation of wild birds.
