

2. List of National Parks and Equivalent Reserves

Considering the importance of the work achieved by the International Commission on National Parks at the request of the Economic and Social Council of the United Nations which, in 1959 (Resolution 810, XXXI) asked for the establishment of a United Nations List of National Parks and Equivalent Reserves,

the **10th General Assembly of IUCN** meeting in New Delhi in November 1969

requests the Economic and Social Council of the United Nations to approve the text of the revised and evaluated edition of the List as prepared and published by the International Commission on National Parks in 1967 in French and in 1969 in English and to certify it as an official document sanctioned by the United Nations.
